Alexandria,Egypt Website

Formation

2019 | **B.S.c in Computer and Communications Engineering**
- Faculty of Engineering, Alexandria University - **GPA : 3.1**

Professional Experiences

Current August 2019 | **Software Developer | eSpace , Alexandria-Egypt**
- Develop high end web apps used by hundreds of thousands in integration with third parties service.
- Develop projects using backend Rails and Frontend ReactJS.
- Design and update software database.

Ruby on Rails | ReactJS | Hooks | Rspec | jest | react-testing-library | PostgresQL | Jenkins | RSpec | Jest | TDD

March 2019 February 2019 | **Unity3D Developer | Source Code, Alexandria-Egypt**
- Integrating AR apps into Android Native apps.

Unity3D | Vuforia | ARCore | Augemnted Reality | VR

Technical Skills

Programming Languages	**C** , **Python** , (**C#**), Java, JavaScript, CSS, PHP
Frameworks	**Rails**, **ReactJS NodeJS**, Laravel, Bootstrap, **Keras**
Development tools	**Jenkins**, **Jira**,Sentry,**Unity3D**,VSCode, Atom, git
Databases	MySQL, PostgreSQL

Projets and Publications

[Paper] Building your kingdom : Imitation Learning for a Custom Gameplay — IEMCON 2019 - 17 October 2019

DOI : 10.1109/IEMCON.2019.8936134

Building a personalised gaming experience with a reinforcement learning brain on the top of Imitation Learning Brain

ML | Imitation-Learning | Reinforcement Learning

X-Ray Examination (MURA challenge) — Jan. 2019 - March 2019

karimamd/Bone-Abnormality-Classifier-in-Keras

Using Stanford's MURA dataset to detect abnormalities in X-Ray scans of 7 different joints implemented in Keras

Python3 | Keras | Keras Functional APIs | Computer Vision | Colab

Memes Messenger Chatbot — Jan 2019 - Current

khaledbnmohamed/YourVirtualBuddyChatbot Live app FB messenger

Facebook Messenger chatbot that uses Imgur API and sends you your daily dose of memes

NodeJS | NLP | APIs | DialogFlow | Heroku | PostgresSQL

Coldplay AR world — Jan 2019 - Feb 2019

khaledbnmohamed/Coldplay-AR-Video-Experience More details

AR based on Vuforia Unity app shows music videos for coldplay. using "on-cloud" videos and local storage.

Unity3D | ARCore | Vuforia | Augmented Reality

Extra-Curricular Experiences

2016 | **Facilitator | EYouth "Social entrepreneurship organization" , Egypt**
- EYouth organize annual competition for ideas and regular camps in different governates across Egypt.
